The Sacramento County Office of Emergency Services, in partnership with City emergency agencies, cooperatively manage a state-of-the-art emergency alert system known as **Sacramento Alert (SacAlert)**. SacAlert is a web-based application that enables authorized County, City, and Special District public safety officials to disseminate public safety information rapidly and efficiently to Sacramento County residents.

The City of Folsom is committed to improving access to information and services to individuals with disabilities.

Sacramento Alert (SacAlert)

To better ensure the receipt of public safety alert and warning notifications, residents are encouraged to scan the QR Code above and log onto the **SacAlert Citizen Opt-In** portal to provide their preferred and most optimal contact information through which they would like to receive notifications. This can include phone numbers as well as email addresses.

Your Neighborhood Zones.

Note where you and your family members live, work and go to school. Then mark down these locations on this map.

City of Folsom

It is important to stay aware of local fire conditions and, if needed, be prepared to leave at a moment's notice. When told to evacuate, go promptly. If you feel unsafe, do not wait for an evacuation order—*leave immediately*.
